From the Pastors

The Rev. Dr. David Holyan, Pastor

Rev. Holyan will be out on medical leave through July following neck fusion surgery. Updates will be shared as they are made available. Please continue to remember David in prayer during his recovery and for Jani as she cares for him.

The Rev. Dr. Karen Blanchard, Associate Pastor

I write this in the midst of the week long General Assembly meeting of our denomination. In some ways it is hard to believe that GA has finally arrived! So much goes into this event and many of them behind the scenes and I want to take a moment to thank you for your work.

Many of you in this congregation have been involved in so many ways: in procuring volunteers, planning worship, overseeing special events, leading worship, raising funds (Jim Madson!), and preparing for our guests here on Sunday morning. I served on the Sunday Morning Worship Committee and we worked with the nearly 20 churches hosting visitors for Sunday morning arranging for buses, hosts and overseeing information gathered on the various churches. Bill worked for hours (or maybe days!) on the worship committee, ladies from the Lydia Circle gathered with their electric knives to prepare communion bread and lots of laughter could be heard coming from the kitchen. Rob was busy welcoming and hosting youth from Virginia as part of the Hands and Feet Mission Initiative. The Hospitality Committee under Barb Theerman was busy providing a meal for our guests on Sunday. Brad Gift, Sharon Croissant and Craig Wilde oversaw aspects of volunteer staffing. Peter Hurd and Julie Grant and others served as hosts and Vicky Gobberdiel and Art McDonnell oversaw cleaning of communion ware for all six worship services at the Convention Center. And, I imagine by the time you read this, Jennifer Pitcher, the Presbytery staff person overseeing this whole event, is somewhere having a well deserved rest! Indeed it was certainly a group effort!

Thank you one and all for your service to the church. You were part of creating a very special time for so many and it is a powerful reminder that we are a connectional church. Beginning with opening worship at the convention center under the leadership of Bill directing so many familiar faces singing and playing instruments to Sunday's event with David preaching and Bill again directing the choir and brass. This was followed by meals served to mission students and our commissioners and General Assembly guests on Sunday. It all came together so well. Remember this: it could not have happened without all of YOU!!

In closing, let me share with you a phone message I received first thing Monday morning from Emmy McClelland of Webster Groves Presbyterian Church, who was the chair of the Sunday Morning Worship Committee. “I am so sorry you could not see the faces of those we greeted as they got off the bus on their return from your church. They had an absolutely marvelous time and they were blown away by their experience.”

With thanks and gratitude,

Karen

From the Director of Music Ministries

June was an amazing month filled with our final preparations and the long-awaited GA gathering in Saint Louis. Countless members of our congregation volunteered many hours before and during the gathering, offering welcome and hospitality to those who came from around the country. I wish to thank our many choir members who gave up a portion of summer break to be a part of the wonderful opening worship, singing in a choir of over 200 singers, and leading worship here on June 17th for our congregation and guests.

As our congregation grows, our Ministry of Music is growing as well! Please read Travis’ article below and consider how you might share your talents with the congregation this Fall.

Please join us for the Con Spirito concert series’ Notes@9 programs Sunday mornings in July. I think you will find a wonderful variety of performances throughout the month. Bring a friend with you and plan to stay for fellowship and worship!

Faithfully yours,

Bill

NEW MUSIC OPPORTUNITIES

In response to the growth in the church and the music program we will have two new opportunities for music this fall. The first group will be Carillon Ringers. This handbell choir will meet on Monday's from 7:00 pm – 8:30 pm. This group will not be replacing our current Chancel Ringers, but will add another chance for members to play handbells. Handbells have a finite number of players per choir so in order to create more opportunities, Bill and I have decided to start this new group. We are looking for members with the ability to read music, and while not necessary it would be helpful for the ringers to have previous handbell playing experience. The Carillon Ringers will be open to anyone high school age and above. You can contact me at tevans@kirkwoodpres.org for more information about the Carillon Ringers. The second opportunity will be just for high schoolers. We are looking for high schoolers of any musical interest to use that gift in worship. This group will meet on an as needed basis and will incorporate a variety of different opportunities. If you play an instrument or like to sing and would like to participate, please contact Bill Stein (bstein@kirkwoodpres.org).

Travis Evans,
Music Associate
CHILDREN, YOUTH AND FAMILY MINISTRY

Thank you from Camp K!
The first week of June at FPC was spent with 55 campers from preschool through rising fifth graders, as well as lots of middle and high school Junior Counselors. We spent the week talking about SPACE and how big our God is! Thank you to all of your support for this ministry - out of the 55 campers 38 are not from our church - this is a major outreach for the great things that are happening at FPC!

We raised more than $170 for our mission project this year - Magic House Outreach Programs.

Staffing Change
We are excited to have new leadership in our Children’s Ministry going forward! We are hoping that having familiar faces on staff will help us focus more on our kids and their education!

Becky Craig is going to be sharing leadership over LOGOS! A former LOGOS volunteer, we are looking forward to her enthusiasm in this new role, and welcome her creativity for our themes and activities!

Julie Weber is going to be taking over Sunday School coordination. Julie has long been a teacher in different classes over the years and we are excited to have her making our curriculum fit into the hands of our kids!

Please welcome them to these new positions when you see them next! They may ask you to fill a need in one of our ministries and I am hopeful that you find a way to serve with us!

Thank You to Camp K Volunteers!
Wanted to use this space to thank our adult volunteers - they are the backbone of our summer ministry! From laying out curriculum to leading cabins and everything in between! Our campers learned so much from everyone involved and we could not do it without you!

A HUGE Thank You to Ali Borella, Anny Monroe, Bill Stein, Bob Baker, Ivy Hutchison, Katie Brodersen, Kelli Bramell, Leslie Benben, Lori Wehrman, Lynn Rubright, Martha Kaelble, Nan Dabler, Sam Codd, Sarah Nepple and Director Extraordinaire, Stephanie Schmidt!

Fall Kickoffs
LOGOS
We will start LOGOS with an informational night on September 5th. If you would like to be on the LOGOS email list please let me know by email at rmonroe@kirkwoodpres.org.

Sunday School & Confirmation
Sunday Education will begin on September 9th. We meet weekly during the 10:00 hour on Sunday morning.

Youth Ministry
All about WORK CAMP!
This year is the 50th Work Camp trip that has gone from Kirkwood to cities and towns around the United States. While I’m looking forward to celebrating the 50th anniversary of the first trip NEXT summer (1969-2019) the excitement about going to Red Wing is really hard to suppress. We are taking 39 students with us - the largest group that I have taken in my seven summers!

Red Wing, Minnesota, is a small city of only about 16,000 people. We will be working with Habitat for Humanity as well as a local organization called God is on the Move, which is based in the church we are staying at! We will spend the weekend in Minneapolis and will canoe on our way back to week two!

My family and I appreciate all the ways you have been of support to us in this difficult time.

With a grateful heart,

**VOLUNTEERS NEEDED**

Volunteers are sorely needed at the Bridge Bread table! The bread practically sells itself, but we need people to take money, put the proceeds in the safe after church, and put any remaining product in the freezer. Those selling will not miss worship services. For more information, please contact Linda Jarrett at 636-394-4642 or write4you@sbcglobal.net.

Also, when you come to church each Sunday, in addition to feeding your soul and your spirit, why not feed the body by supporting our Mission Outreach Program by buying Bridge Bread. The people who bake this wonderful bread are homeless. By buying a loaf of bread or a breakfast roll, you are helping these people earn a wage and find a home. Pick up a loaf, rolls, or brownies for Sunday dinner or for gifts. Plus, they freeze beautifully.

**EDUCATION IN MISSION**

A new group has been forming in recent months and you are invited to consider becoming a part of this outreach. The interest for this group grew following the presentation in the Christian Concerns series about the discrepancies in opportunities for early childhood education and health care between the various zip codes in our city. Working leadership from Faith and For the Sake of All, the group learned about various opportunities for becoming partners in the area of education. Those who met recently decided to begin with the Ready Readers program, a well established organization that provides training and assignments for volunteer readers at various Early Childhood centers. The program requests a commitment to specific times and centers, but we can partner with others in our group to fulfill this commitment so those who might be travelling or have periodic commitments can “share” a spot.

Members of the group are planning as they are able to attend training together. If you are interested contact Jeanne Earley at jearley@swbell.net. You can also go to the website www.readyreaders.org and fill out the application form.

If you are interested in supporting the group but not don’t necessarily want to be a reader, the group also will sponsor a book drive for young children in the near future. If you are clearing out books or see some on sale in a bookstore or library in the coming weeks gather them up for a new home. In addition, the group is also considering asking those interested to help build book shelves.

These are three ways to be part of providing much needed encouragement in the developing skills for and a love of reading as well as “hands on mission” involvement in our larger community.

The Dementia Discussion Group will meet the 3rd Saturday of each month. They will meet on July 21 at 10:00 a.m. in room 029. If you have any questions, contact Alice Bowen: asquare812@hotmail.com or Angela Gracey: anggracey@msn.com.

The Grief Support Group will meet on Tuesday, July 24, 7:00 p.m. - 8:30 p.m. in the lounge. For more information contact Ellen Hitschler at ln4cats@yahoo.com or Mary Ann Shaw at mashaw5@sbcglobal.net.
SPIRITUAL FORMATION CLASS - 8:45a.m. in Room 028

The Spiritual Formation series will focus on deepening the stillness of the heart through prayer, meditation, study and reflection. Tom Edelstein is the convener of the group which will meet the second Sunday of the month at 8:45a.m.(during the summer) in room 028. The next meeting will be June 10. If you have any questions please contact Tom at tedelstein@att.net or Karen Blanchard at kblanchard@kirkwoodpres.org.

DEACONS DOINGS

Though we will be on a brief hiatus during the summer months of June and July, the Deacons are still busy serving in a variety of ways. We appreciate your support in continuing to bring in food supplies for KirkCare as they bring food to families in the summer months while school meals are not available. (See the article below for more information.)

Several summer programs have been given donations for their important work: Meacham Park's children's program on Fridays in the park, SPROG, a summer supplemental reading, math and arts program held at St. Peter's church, and funding for food for Karla McGown's summer program for children at their church the New Covenant Full Gospel Church in the city.

We also recently funded a program called the Girls, a housing and support system for young girls (12-17) who are pregnant and no longer welcome in their homes. One of the things they learn to do is make jewelry with the beads from costume jewelry and other beadings. A decorated box is located down stairs near the welcome center if you have costume jewelry with beads that you are willing to donate.

Thank you also to those who helped with the additional blood drive through time and baked goods or donation of blood. In addition, we appreciate the cookies that others bring to help the Bereavement Committee provide refreshments following memorial services.

A new series of speakers will be coming beginning in August. Information will be shared about upcoming dates and you are most welcome to come to learn about one of the many organizations and programs serving others in our community and beyond.

SUMMER FOOD DRIVE

Summer is here and the schools are closed for summer recess. While for many it is a time for vacation and camps, for other students it means needing access to food now that the lunches and breakfasts provided at school will not be available. To that end, the Deacons are having a Summer Food Drive for KirkCare, focusing on lunch and breakfast foods. Non-perishable foods such as breakfast cereals, peanut butter, canned tuna, chicken, ham, soups, boxed mac and cheese, applesauce in small containers and jellies in non-breakable containers will provide some nutrition during the summer months. Please place items in the big yellow school bus in the hallway at church. You may also put a check in the offering plate made out to the church, earmarked for “KirkCare” or go to www.kirkcare.org and make a donation directly. Thank you for your support of those who otherwise might be hungry during the summer months.

MEMBER CARE

If you or someone you know is ill, in the hospital or in rehab, please let the church office know so that we may lift up our members in prayer and schedule visits if needed. If we don’t know there is a need, we miss the opportunity to provide care to our members. Thank you! (NOTE: If you are in the hospital under a different name than your pastor and church friends know you as, please share that information. Hospitals and care facilities are bound to privacy agreements and do not give this information out.)

In addition, we have a list of members who receive updates about those in need of prayers each Friday with requests that come in between. This is a powerful way to be connected to others at First Pres and provide them with encouragement in times of need and support. If you would like to be a part of our prayer chain, contact Karen at kblanchard@kirkwoodpres.org. While we do most of our contacts by email, if you do not have email and wish to participate, contact Karen through the church office.
