**Building ... Together**
We gather together, worship together, participate in activities together and we build our lives together in this church ... it only makes sense that we maintain our beautiful structure so that it endures into the future.

**Unanticipated Issues**
Even when the building and grounds committee, as well as the staff in the church, try to keep up with maintenance and anticipate problems or areas that need to be addressed, a problem can pop up that was unexpected. For example, the grease trap had to be replaced in the kitchen, and the area had to be re-dug as the old one was so outdated it couldn’t be replaced. The church sign on the northeast corner of the church also had to be replaced, which was not budgeted for as an accident took place. Just like a home or other property, we want to have monies for the unexpected issues that may arise!

**Here’s How to Help**
- Visit us online at kirkwoodpres.org and click on the “give” button at the top. Check “Building Together Forever” and make your pledge.
- Put pledge in offering on Sunday
- Stop by church office

MOVING FORWARD, MAINTAINING INTEGRITY ... BUILDING MOMENTUM

Our Goal
The Stewardship Committee, in conjunction with the Buildings and Grounds Committee, have a goal of raising $100,000 a year for maintenance, repairs and necessary updates of our facility as needed. This proactive approach will allocate funds for repairs and necessary upgrades before they become major issues that put a strain on the operating budget. The Maintenance Support Fund is designed to support the upkeep and maintenance of the church facilities and grounds.

Projects Completed!
- Courtyard headstone expansion
- Concrete repairs — steps, sidewalks and ramps
- Overhang roof repair
- Extra gutter installation
- Concrete sealing
- Wireless mic upgrades
- New specimen tree installation
- Wi-Fi upgrade
- Digital sign upgrade

Anticipated Projects for 2020:
- Fellowship hall projectors update
- Computer and network upgrades
- Internal information screens installation
- Telephone system upgrade
- Norman Tower exterior deterioration repair
- Norman Tower walkway repair
- Fellowship Hall lighting upgrade
- Steeple lights upgrade
- Exterior stone restoration

Thank you!
